If you are accepting these Terms and Conditions on behalf of a business entity, you represent and warrant that you have appropriate authority to accept these Terms and Conditions and the Cover Page on behalf of the business entity.

IMPORTANT — PLEASE REVIEW SECTIONS 12-14 CAREFULLY — THESE TERMS AND CONDITIONS CONTAIN AN ARBITRATION CLAUSE AND OTHER IMPORTANT TERMS WHICH AFFECT YOUR LEGAL RIGHTS.

1. Customer hereby accepts the equipment and service described on the Cover Page and agrees to pay any fees, taxes, or other amounts set forth on the Cover Page. Payment in full is due from Customer upon completion of the work in all cases. By accepting the service or making a payment for all or part of the service, Customer accepts the service pursuant to these Terms and Conditions and the provisions of the attached work order incorporated into these Terms and Conditions by reference. Notwithstanding the foregoing, non-residential customers who have a pre-approved credit application on file with the Company prior to the date a given job has commenced shall have thirty (30) days from receipt of the applicable invoice to pay the same in full. Any deviation from these payment terms, including, without limitation, any financing arranged through third parties, must be agreed in writing prior to the commencement of a given job and all associated and necessary documents must be fully executed and delivered to the applicable parties before the job has commenced. For any service to be performed on multiple service calls or over a specified term, Company and Customer may mutually agree to payment by “Automatic Bank Account Debit” or “Automatic Credit Card Debit”, whereby Customer authorizes Company to charge a monthly installment from Customer’s bank or credit card account beginning one (1) month after the application is approved. If so agreed between Company and Customer, the automatic monthly payment will continue until a written notice of termination is received by Company. In addition, for any service to be performed over a specified term, if Customer authorized Company to charge the full amount for the specified term to Customer’s credit card, this contract will automatically renew at the expiration of the specified term, for a new term equal to the original term, and Customer’s credit card will be charged for the renewal term until written notice of termination is received by the Company. Cancellation in either event will not entitle Customer to a refund of any previously paid amounts. In addition, for any service to be performed over a specified term, if Customer authorized Company to charge the full amount for the specified term to Customer’s credit card, this contract will automatically renew at the expiration of the specified term, for a new term equal to the original term, and Customer’s credit card will be charged for the renewal term until written notice of termination is received by the Company. Cancellation in either event will not entitle Customer to a refund of any previously paid amounts. As permitted by applicable law, and to the extent applicable, upon renewal of this contract, Customer agrees that Company may change or increase the monthly installment charge and automatically debit such charge in connection with any changes to service fees. Home Comfort Club Agreement or other Service Agreement cancellation will be subject to Company’s then current refund policy.

These Terms and Conditions of service, together with the Cover Page, state-specific addendum, and any applicable program terms, shall constitute the entire agreement of the parties and shall not be modified except by written change order issued and signed by Company. No prior representations, inducements, promises, or agreements between the parties, whether oral or written, shall be of any force

or effect whatsoever. No terms stated by Customer in accepting or acknowledging this offer or otherwise shall be binding except as expressly incorporated herein.

To the extent Customer requests Company to perform such removal or disposal services and Company agrees to perform the same, such services shall be provided at an additional charge to Customer.

4. The remedies provided in this paragraph for any concerns identified by the Customer are exclusive and are conditioned upon Customer providing timely notification of such concerns to Company. Such remedies are given by Company and accepted by Customer in lieu of any other remedies, warranties, and guarantees, express or implied, and in lieu of merchantability and warranty of fitness for a particular purpose. COMPANY DISCLAIMS ALL IMPLIED WARRANTIES, INCLUDING ANY IMPLIED WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE.

The Company provides the limited remedies above for all Customers. Equipment or system failure due to lack of proper maintenance service or abuse is expressly excluded. All warranties with respect to any equipment, parts or materials used in connection with the services, expressed or implied, are the responsibility of the manufacturer of the equipment, parts, or materials.

5. Company's obligations are strictly conditioned on Customer providing the Company reasonable access to the property on which equipment is to be installed and the services are to be performed. Title to all provided equipment remains with Company until Customer pays in full all amounts due thereon, whether such equipment is affixed to the realty or not, and shall remain personal property and be deemed severable without injury to the freehold. Furthermore, failure to pay in full for any work shall allow the Company to cease work on this or any other work for Customer and to post notice at all work sites without liability. In the event of non-payment, the Company, without prior notice, may remove all workmen and stored material from the project site. No credit or offset by Customer shall be permitted when service or work is refused for non-payment. All work furnished, lost profit, and costs of handling shall be due immediately upon invoice by the Company without liability to replace any equipment. Company hereby notifies Customer that persons or companies furnishing labor or materials for the construction on Customer's land may have lien rights on Customer's land and buildings if not paid. Company's waiver of any breach by Customer of any of the provisions contained herein shall not constitute a waiver of any other breach of the same or any other provision. Company's rights and remedies under any provision contained herein shall be in addition to and not in substitution or limitation of any other rights and remedies available to Company under applicable law.

8. The Company shall not be liable for any default or delay caused by any events beyond its control, including but not limited to an act of God, war, utility or communication failures, fire, flood, strikes, or accidents.

To the full extent permitted by applicable law, both you and Company waive the right to bring any dispute as a class, consolidated, representative, collective, or private attorney general action, or to participate in a class, consolidated, representative, collective, or private attorney general action regarding any dispute brought by anyone else. Notwithstanding the arbitration provision set forth below, if the provision regarding waiver of class, collective, representative, and private attorney general claims of this section is found to be void or otherwise unenforceable, any such class, collective, representative, or private attorney general claims must be heard and determined through an appropriate court proceeding, and not in arbitration.

13. TO THE FULL EXTENT PERMITTED BY APPLICABLE LAW, THE PARTIES HEREBY WAIVE THEIR RIGHT TO JURY TRIAL WITH RESPECT TO ALL CLAIMS AND ISSUES ARISING UNDER, IN CONNECTION WITH, TOUCHING UPON OR RELATING TO THESE TERMS, THE BREACH THEREOF AND/OR THE SCOPE OF THE PROVISIONS OF THIS SECTION, WHETHER SOUNDING IN CONTRACT OR TORT, AND INCLUDING ANY CLAIM FOR FRAUDULENT INDUCEMENT THEREOF.

14. **ARBITRATION CLAUSE — IMPORTANT — PLEASE REVIEW — AFFECTS YOUR LEGAL RIGHTS.** EITHER YOU OR WE MAY CHOOSE TO HAVE ANY DISPUTE BETWEEN US DECIDED BY ARBITRATION AND NOT IN COURT OR BY JURY TRIAL. DISCOVERY AND RIGHTS TO APPEAL IN ARBITRATION ARE GENERALLY MORE LIMITED THAN IN A LAWSUIT, AND OTHER RIGHTS THAT YOU AND WE WOULD HAVE IN COURT MAY NOT BE AVAILABLE IN ARBITRATION.

a. In accordance with this section, any dispute, claim, or controversy arising out of or relating to these Terms and Conditions, or the breach, termination, enforcement, interpretation or validity thereof, including the determination of the scope or applicability of these Terms and Conditions to arbitrate, or relating to any of the subject matter of these Terms and Conditions shall, at our election, be resolved by neutral, binding arbitration and not by a court action. If federal law provides that a claim or dispute is not subject to binding arbitration, this Arbitration Clause shall not apply to such claim or dispute. Any claim or dispute is to be arbitrated by a single arbitrator on an individual basis and not as a class action. You expressly waive any right you may have to arbitrate a class action. You may choose one of the following arbitration organizations, and its applicable rules, to conduct the arbitration: JAMS (800 352-5267, www.jamsadr.com), the American Arbitration Association (800 778-7879, www.adr.org), or any other organization subject to our approval. You may get a copy of the rules of an arbitration organization by contacting the organization or visiting its website.

b. Arbitrators shall be attorneys or retired judges and shall be selected pursuant to the applicable rules. The arbitrator shall apply governing substantive law and the applicable statutes of limitation. Unless applicable law provides otherwise, the arbitration hearing shall be conducted in the federal district in which you reside. We will pay your filing, administration, service and case management fee, your arbitrator and hearing fee and any arbitration appeal fees you incur all up to a maximum of \$5,000, unless the law requires us to pay more. The amount we pay may be reimbursed in whole or in part by decision of the arbitrator if the arbitrator finds that any of your claims are frivolous under applicable law. Each party shall be responsible for its own attorney, expert, and other fees, unless awarded by the arbitrator under applicable law. If the chosen arbitration organization's rules conflict with this clause, then the provisions of this clause shall control. The arbitrator's award shall be final and binding on all parties, except that you may appeal any arbitrator's award pursuant to the rules of the arbitration organization, and we may only appeal an award against us exceeding \$100,000. Any arbitration under this Arbitration Clause shall be governed by the Federal Arbitration Act (9 U.S.C. § 1 et. seq.) and not by any state law concerning arbitration.

c. You retain the right to seek remedies in small claims court for disputes or claims within that court's jurisdiction, and we agree to reimburse your filing fees for such proceedings. You also retain the right to seek individual injunctive relief in court. Neither you nor we waive the right to arbitrate by filing suit. Any court having jurisdiction may enter judgment on the arbitrator's award. This Arbitration Clause shall survive any termination of these Terms and Conditions. If any part of this Arbitration Clause, other than waivers of class action rights, is deemed or found to be unenforceable for any reason, the remainder shall

remain enforceable. If a waiver of class action rights is deemed or found to be unenforceable for any reason in a case in which class action allegations have been made, the remainder of this Arbitration Clause shall be unenforceable.

15. This agreement shall be governed and construed solely according to the internal laws of the State where equipment is installed and/or where the services are performed, without reference to any conflicts of laws.
